- 120v or 230v models

TS7100 Prismo™ with 3-Facet Prism • 120 volt

TS7102 Prismo™ with 3-Facet Prism • 230 volt

TS7200 Prismo™ with 5-Facet Prism • 120 volt

TS7202 Prismo™ with 5-Facet Prism • 230 volt

You can add color to the prism by simply taping triangles of GamColor® to the individual facets. This will create spectacular colored effects well worth exploring.
